ADVISORY NO. 16
Series of 2024

**Streamlining of Documents Required from Qualified
Returning OFWs Bound for Libya**

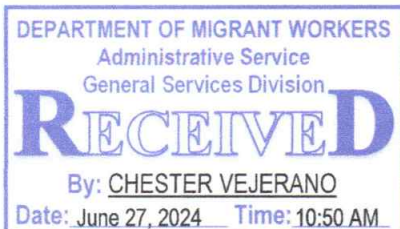

Pursuant to the Ease of Doing Business and Efficient Government Service Delivery Act of 2018 and based on the agreement reached during the consultation meeting between officials of the Philippine Embassy in Tripoli, Libya and DMW Technical Mission Team on the assessment of the current peace and order security situation in the said country, the documents required in the processing and issuance of OEC/OFW Pass to qualified returning workers being referred to under Governing Board Resolution (GBR) No. 12, Series of 2019 have been streamlined, as follows:

1. Certificate of Conditional Exemption from the existing deployment ban issued by the Philippine Embassy in Tripoli attaching the existing employment contract of the worker;
2. Passport;
3. Valid Work Visa/Work Permit; and
4. Medical and Life Insurance Coverage

It is understood that the Philippine Embassy in Tripoli, upon issuance of the Certificate of Conditional Exemption with an attached employment contract, has retained the supporting documentary requirements submitted by the employer in compliance with the aforementioned GBR. It is further understood that the medical and life insurance coverage of the workers is at cost to the employer and must be reimbursed if paid initially by the workers.

Moreover, this Advisory reiterates the existing suspension on the processing and deployment of new-hire OFWs bound for Libya, pending the outcome of further assessments on the peace and order security situation on the said country to be conducted by the Philippine Embassy/DFA in coordination with this Department.

For the information and guidance of all concerned.
