Petitioner,

PETITION FOR REGISTRATION

PETITIONER, unto the Honorable Bangsamoro Registrar of Political Parties, most respectfully avers:

1. **Alamat IP Organization (AIO)** is a newly established community-based organization representing Indigenous Peoples, committed to advancing food security, sustainable livelihoods, cultural preservation, environmental protection, and overall community development. Its principal office is located at **Sitio Ranao Badak, Barangay Kuya, South Upi, Maguindanao del Sur**, with community-based chapters and members in surrounding areas, and its official email address is adamatjovilyn@gmail.com.
2. ALAMAT was organized on July 07, 2022 at Sitio Ranao Badak, Barangay Kuya, South Upi, Maguindanao del Sur, in response to the socio-economic and environmental challenges faced by the community despite being located in a resource-rich area with small inland lakes that serve as natural sources of fish. These challenges

include food insecurity, malnutrition among children, environmental degradation, flooding, and limited access to essential services such as safe school access. The organizational structure, including the General Assembly, Executive Officers, committees, and advisory roles of community elders, as well as the date and manner of election or selection of its officers, and the names and addresses of its organizers, officers, and members of its committees, are hereto attached as **Annex "A."** Officers were selected through a participatory and consensus-based community assembly in accordance with customary governance practices.

3. The organization serves a broad constituency composed of Indigenous households within the community, with at least 50 households directly engaged in fishpond development and native tilapia production, and many more benefiting from its programs. Its platform, policies, and principles are anchored on strengthening food security and nutrition, promoting sustainable and climate-resilient livelihoods, preserving Indigenous knowledge and cultural identity, enhancing resilience to environmental risks and disasters, and improving access to basic services, especially for children.
4. To achieve these objectives, ALAMAT has initiated and continues to implement various community-driven programs. These include the establishment of 3–5 communal fishponds utilizing inland lakes, the development of a communal farm covering approximately 3–5 hectares planted with both cash crops and permanent crops such as coffee and coconut, and the promotion of diversified farming practices among at least 70% of member households. The organization also supports seed production and distribution to local farmers and facilitates the establishment of a functional consumer's cooperative.
5. In the area of nutrition and child welfare, ALAMAT implements a feeding program benefiting at least 20–25 children, aiming to reduce malnutrition and improve school attendance. It also promotes education and cultural preservation through the establishment of a School of Living Tradition (SLT), engaging elders and trained Indigenous facilitators to transmit cultural knowledge to at least 100 children and youth.
6. Environmental protection is a key priority, including the conservation of Mt. Lihon as a sacred and ecological site, reforestation and natural regeneration of at least 30 hectares, and the reduction of environmentally harmful practices such as charcoal-making through alternative livelihood programs. The

organization also actively promotes disaster risk reduction by advocating for safe infrastructure, such as access across the Benuan River, reducing school absenteeism due to flooding, and ensuring community safety.

7. Furthermore, ALAMAT promotes women's participation in livelihood recovery by engaging at least 30 women in alternative income-generating activities, including livestock and agro-based enterprises, thereby strengthening household resilience and economic independence.
8. The organization hereby expresses its intent to participate in the parliamentary sectoral representative elections. It declares that it is not a religious sect or denomination, does not pursue its goals through violence or unlawful means, and is fully committed to upholding the Constitution and obeying all laws and legal orders. It further affirms that it is not receiving financial support from any national political party, is not allied with any such party, and does not accept contributions from any foreign government or agency.
9. ALAMAT maintains an official logo that clearly represents its identity, principles, and advocacies, including symbols, colors, and markings reflective of its mission. The By-Laws together with the logo are on a single page and are attached hereto as **Annex "B."** The organization has been certified by the appropriate certifying ministry, office, or agency, and such certification is attached as **Annex "C."** The organization further declares that it has not previously filed any petition for registration as a Parliamentary Sectoral Organization, as it is a newly established entity.

PRAYER

WHEREFORE, premises considered, it is respectfully prayed that this Petition for Verification be approved and that Alamat IP Organization (AIO) be duly recognized as a Parliamentary Sectoral Organization.

Respectfully submitted this ____ day of _____, **2026**, at _____.
