ADVISORY No. 09
Series of 2025

**Bermuda's New Immigration and Protection Order 2025
(Prohibition of Entry)**

The public is hereby advised that the Government of Bermuda's Ministry of Economy and Labour announced that the Bermuda Immigration and Protection (Prohibition of Entry) Order 2025 has replaced previous entry regulations, effective from 08 January 2025.

The new regulation provides an updated list of countries whose nationals are prohibited from entering Bermuda unless one of the following conditions is applicable:

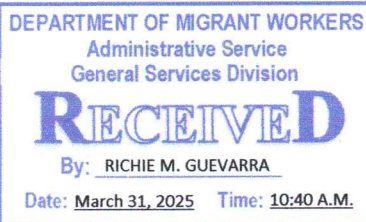

1. The individual has travel authorization to enter and re-enter Canada, the United Kingdom, or the United States, with such travel authorization being valid for forty-five (45) days from the intended departure date from Bermuda.
2. The individual produces a current letter issued by the Government attesting that the person is a spouse of a Bermudian or belongs to Bermuda pursuant to Section 11(5) of the Bermuda Constitution Order 1968.

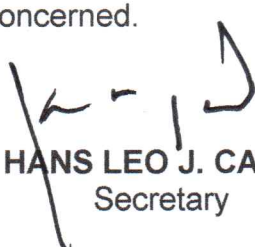

The 2025 list includes the Philippines.

As such, for all Filipino nationals travelling to Bermuda, particularly Overseas Filipino Workers (OFWs), the Bermuda Department of Immigration shall implement the Standard Work Permit Application Form and require proof of a valid multiple re-entry visa (MRV) for the US, UK, or Canada.

In order to comply with the foregoing requirements, OFWs and /or their licensed recruitment agencies are advised to secure an MRV aside from acquiring a work permit in Bermuda.

For the information and guidance of all concerned.

Secretary
