RESOLUTION

On March 21, 2019, petitioner filed through registered mail a “Motion for Extension of Time to File Petition for Review,” praying that it be given an additional period of fifteen (15) days from March 21, 2019 or until April 5, 2019 within which to file the Petition for Review.

On March 28, 2019, the Court issued a Minute Resolution granting petitioner’s motion. Hence, petitioner was granted a final and non-extendible period of fifteen (15) days from March 21, 2019 or until April 5, 2019 within which to file the Petition for Review.

On April 5, 2019, petitioner filed a “Manifestation with Notice of Withdrawal” stating that after thorough consideration, petitioner decided to withdraw its interest to file the said Petition for Review and opted to avail of the remedies under the Tax Amnesty Act instead. Petitioner prayed that the

Notice of Withdrawal be duly noted without prejudice to the right of petitioner to file its Opposition to the respondent's separate petition for review.

Finding merit in the reasons stated by petitioner, hence, the "Manifestation with Notice of Withdrawal" is NOTED.

WHEREFORE, the instant case is deemed closed and terminated.

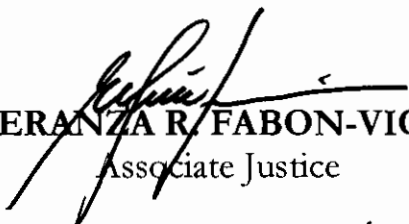

SO ORDERED.
