"WHETHER OR NOT PETITIONER IS ENTITLED TO A REFUND OR TAX CREDIT OF ITS UNUTILIZED INPUT VAT ARISING FROM DOMESTIC PURCHASES AND IMPORTATION OF GOODS (OTHER THAN CAPITAL GOODS), DOMESTIC PURCHASES OF SERVICES, AND PURCHASES OF CAPITAL GOODS ATTRIBUTABLE TO ZERO-RATED SALES FOR THE 3RD QUARTER OF TAXABLE YEAR 2013 IN THE AMOUNT OF P87,123,112.79, 4TH QUARTER OF TAXABLE YEAR 2013 IN THE AMOUNT OF P68,299,816.85 AND 1ST QUARTER OF TAXABLE YEAR 2014 IN THE AMOUNT OF P8,459,647.53 OR IN THE AGGREGATE AMOUNT OF P163,882,577.17."⁴⁴

THE ARGUMENTS OF THE PARTIES

Petitioner argues that it timely filed its administrative and judicial claims for refund or issuance of tax credit certificate of unutilized input VAT attributable to zero-rated sales in the 3rd and 4th Quarters of 2013 and 1st Quarter of 2014; that it is a VAT-registered entity; that it is engaged in zero-rated export sales in the 3rd and 4th Quarters of taxable year 2013 and 1st Quarter of taxable year 2014 the consideration for which was paid for in acceptable foreign currency and accounted for in accordance with Bangko Sentral ng Pilipinas (BSP) rules and regulations; that it incurred or paid input taxes attributable to zero-rated sales for the 3rd and 4th Quarters of 2013 and the 1st Quarter of 2014; and that the input taxes were not applied against output tax liability during and in the succeeding quarters.

On the other hand, respondent counter-argues that the petitions must be dismissed for failure of petitioner to substantiate its administrative claim for refund; that since respondent rendered a decision, the jurisdiction of the Court shifts from a trial court to an appellate tribunal; that the Court should confine itself to whether the findings of respondent are consistent with law; that petitioner is not entitled to refund in the amounts of P87,123,111.79, P68,299,816.85 and P8,459,647.53; and that taxes paid and collected by the BIR are presumed to have been made in accordance with law, rules and regulations and the burden to prove otherwise is upon petitioner.

THE RULING OF THE COURT

Pursuant to the provisions of Sections 112(A) and (C) of the National Internal Revenue Code (NIRC) of 1997, as amended, jurisprudence has laid down certain requisites which must be complied with by the taxpayer-applicant to successfully obtain a credit/refund of input VAT. Said requisites are classified into certain categories, to wit:

Timeliness of the filing of the administrative and judicial claims:

1. The claim is filed with the BIR within two years after the close of the taxable quarter when the sales were made;⁴⁵
2. In case of full or partial denial of the refund claim, or the failure on the part of the Commissioner to act on the said claim within a period of 120 days, the judicial claim has been filed with this Court, within 30 days from receipt of the

decision or after the expiration of the said 120-day period;⁴⁶

Taxpayer's registration with the BIR:

3. The taxpayer is a VAT-registered person;⁴⁷

Taxpayer's zero-rated sales:

4. The taxpayer is engaged in zero-rated or effectively zero-rated sales;⁴⁸
5. For zero-rated sales under Sections 106(A)(2)(1) and (2); 106(B); and 108(B)(1) and (2), the acceptable foreign currency exchange proceeds have been duly accounted for in accordance with BSP rules and regulations;⁴⁹

Taxpayer's input VAT claim:

6. The input taxes are not transitional input taxes;⁵⁰
7. The input taxes are due or paid;⁵¹
8. The input taxes claimed are attributable to zero-rated or effectively zero-rated sales. However, where there are both zero-rated or effectively zero-rated sales and taxable or exempt sales, and the input taxes cannot be directly and entirely attributable to any of these sales, the input taxes shall be proportionately allocated on the basis of sales volume;⁵² and
9. The input taxes have not been applied against output taxes during and in the succeeding quarters.⁵³

No. 180345, November 25, 2009; and *AT&T Communications Services Philippines, Inc.*, G.R. No. 182364, August 3, 2010.

The *first* requisite pertains to the filing of the claim for tax credit or refund of input VAT before the BIR, within two (2) years from the close of the taxable quarter when the zero-rated or effectively zero-rated sales were made.

The present claim covers the third and fourth quarters of TY 2013 and first quarter of TY 2014, which respectively closed on September 30, 2013, December 31, 2013 and March 31, 2014. Counting two (2) years from said dates, petitioner had until September 30, 2015, December 31, 2015 and March 31, 2016, within which to file its administrative claims for tax credit or refund. Clearly, petitioner's administrative claims for refund were timely filed, as shown below:

CTA Case No.	Taxable Period	Close of the Taxable Quarter	Last Day to File Administrative Claim	Date of Filing of Administrative Claim
9207	3rd Quarter of TY 2013	30-Sep-13	30-Sep-15	29-Jun-15 ⁵⁴
9277	4th Quarter of TY 2013	31-Dec-13	31-Dec-15	30-Sep-15 ⁵⁵
9416	1st Quarter of TY 2014	31-Mar-14	31-Mar-16	28-Mar-16 ⁵⁶

On the other hand, the *second* requisite is to the effect that the judicial claim must have been filed within thirty (30) days from receipt of respondent's decision or after the expiration of the 120-day period under Section 112(C).

Record reveals that upon filing of petitioner's administrative claims it simultaneously submitted complete documents in support thereof. Considering that respondent failed to act on the subject claims within the said 120-day period, petitioner had 30 days after the lapse of the 120-day period within which to seek appeal before this Court. Evidently, petitioner's filings of its judicial claims were also filed on time, to wit:

CTA Case No.	Taxable Period	Date of Filing of Administrative Claim and Submission of Complete Documents	End of 120 days for the BIR Commissioner to decide on the claim	End of 30 days from the expiration of the 120 days	Date of Filing of Petition for Review

9277	4th Quarter of CY 2013	30-Sep-15	28-Jan-16	27-Feb-16	26-Feb-16
9416	1st Quarter of CY 2014	28-Mar-16	26-Jul-16	25-Aug-16	05-Aug-16

⁵⁶ Id., Exhibit "P-47" to "P-47.3", pp. 2530 to 2536.

Having determined that petitioner timely filed both its administrative and judicial claims, we shall now proceed to make a determination of petitioner's compliance with the other requisites.

Petitioner is a VAT-registered taxpayer.

Petitioner complied with the *third* requisite considering that it is a VAT registered taxpayer with BIR Certificate of Registration No. OCN 8RC0000048136 with Taxpayer's Identification Number (TIN) 004-870-171-000.⁵⁷

Not all of petitioner's reported zero-rated sales or effectively zero-rated sales during the 3rd and 4th Quarters of TY 2013 and 1st Quarter of TY 2014 qualify as such.

Anent the *fourth* and *fifth* requisites, petitioner has proven that it is an entity registered with the Securities and Exchange Commission (SEC) under SEC Reg. No. A199602982 dated July 24, 1996⁵⁸. The registration, however, is under petitioner's former name "Australasian Philippines Mining, Inc." until the issuance of Certificate of Filing of Amended Articles of Incorporation dated January 7, 2015⁵⁹ bearing the petitioner's new trade name "OceanaGold (Philippines), Inc.".

Petitioner was established with the primary purpose: *"To render exploration and other related services as well as all aspects of technical, engineering and management services to individuals, partnerships, associations and corporations engaged in mining or in any manner, in the acquisition, conveyance, storage, marketing, processing, refining and distribution of minerals; to extended financial assistance to local mining enterprises or mineral tenement owners through service contracts without engaging in financing activity as defined in Republic Act No. 5980 and to provide technical and managerial services in the execution of such exploration activities as prospecting, geo-technical surveying, drilling, boring, tunneling, bulk sampling, metallurgical testing and other studies in evaluating the development potential of metal and mineral deposits of all kinds; to acquire an interest in such enterprise or corporation to the extent allowed by law; to enter into contracts with local mineral tenement owners, mineral exploration enterprises in connection with above activities; and to enter into agreements with the President of the Philippines or other agencies of the Philippine government to provide financial assistance for large scale exploration, development and utilization of minerals, petroleum and other mineral oils pursuant to the provisions of Republic Act No.*

Petitioner is likewise a Board of Investment (BOI)-registered entity as evidenced by Certificate of Registration No. 2011-270 as New Export Producer of Dore Bars and Copper Concentrate.⁶¹

Petitioner contends that during the third and fourth quarters of CY 2013 and first quarter of CY 2014, it generated export sales of gold, silver and copper to its foreign customers Trafigura Pte. Ltd. and Perth Mint Australia; and that these export sales were paid for in acceptable foreign currency and accounted for in accordance with the rules and regulations of the Bangko Sentral ng Pilipinas (BSP). Petitioner submits that such export sales are subject to zero-percent (0%) VAT pursuant to Section 106(A)(2)(a)(1) of the NIRC of 1997, as amended, which states:

"SEC. 106. Value Added Tax on Sale of Goods or Properties. –

"(A) Rate and Base of Tax. – x x x

"(2) The following sales by VAT-registered persons shall be subject to zero percent (0%) rate:

"(a) Export Sales. - The term 'export sales' means:

"(1) The sale and actual shipment of goods from the Philippines to a foreign country, irrespective of any shipping arrangement that may be agreed upon which may influence or determine the transfer of ownership of the goods so exported and paid for in acceptable foreign currency or its equivalent in goods or services, and accounted for in accordance with the rules and regulations of the Bangko Sentral ng Pilipinas (BSP);"

Based on the foregoing, in order for an export sale to qualify as zero-rated, the following essential elements must be present:

1. the sale was made by a VAT registered person;
2. there was sale and actual shipment of goods from the Philippines to a foreign country; and,
3. the sale was paid for in acceptable foreign currency accounted for in accordance with the rules and regulations of the BSP.

As for the *first* essential element, it has been settled that petitioner is a VAT-registered person. ✓

⁶⁰ Docket (CTA Case No. 9207) Vol. 3, Articles of Incorporation, pp. 1837 to 1838

⁶¹ Id., Exhibit "P-4", pp. 1877 to 1887.

Relative to the *second* essential element are Sections 113(A)(1), (B)(1), (2)(c), and (3) of the NIRC of 1997, as amended, as implemented by Sections 4.113-1(A)(1), B(1), and (2)(c) of Revenue Regulations (RR) No. 16-05, as amended, which provide that any VAT registered person claiming VAT zero-rated direct or considered export sales must present, among others, the following documents:

1. the sales invoice as proof of sale of goods;
2. the bill of lading or airway bill as proof of actual shipment of goods from the Philippines to a foreign country.

Sections 113(A)(1), (B)(1) and (2)(c) of the NIRC of 1997, as amended, and Sections 4.113-1(A)(1), (B)(1) and (2)(c) of RR No. 16-05, are quoted hereunder for easy reference:

“SEC. 113. *Invoicing and Accounting Requirements for VAT-Registered Persons.* —

(A) *Invoicing Requirements.* — A VAT-registered person shall issue:

(1) A VAT invoice for every sale, barter or exchange of goods or properties; and

(B) *Information Contained in the VAT Invoice or VAT Official Receipt.* — The following information shall be indicated in the VAT invoice or VAT official receipt:

(1) A statement that the seller is a VAT-registered person, followed by his Taxpayer's Identification Number (TIN);

(2) The total amount which the purchaser pays or is obligated to pay to the seller with the indication that such amount includes the value-added tax: *Provided, That:*

xxx

(c) If the sale is subject to zero percent (0%) value-added tax, the term ‘**zero-rated sale**’ shall be written or printed prominently on the invoice or receipt;” (*Underscoring supplied*)

“SEC. 4.113-1. *Invoicing Requirements.* —

(A) A VAT-registered person shall issue: —

(1) A VAT invoice for every sale, barter or exchange of goods or properties; and

xxx

xxx

Only VAT-registered persons are required to print their TIN followed by the word 'VAT' in their invoice or official receipts. Said documents shall be considered as a 'VAT Invoice' or VAT official receipt. All purchases covered by invoices/receipts other than VAT Invoice/VAT Official Receipt shall not give rise to any input tax.

VAT invoice/official receipt shall be prepared at least in duplicate, the original to be given to the buyer and the duplicate to be retained by the seller as part of his accounting records.

(B) Information contained in VAT invoice or VAT official receipt. — The following information shall be indicated in VAT invoice or VAT official receipt:

(1) A statement that the seller is a VAT-registered person, followed by his TIN;

(2) The total amount which the purchaser pays or is obligated to pay to the seller with the indication that such amount includes the VAT; *Provided, That:*

(c) If the sale is subject to zero percent (0%) VAT, the term 'zero-rated sale' shall be written or printed prominently on the invoice or receipt;" (*Underscoring ours*)

Moreover, the sales invoices supporting the export sales must be duly registered with the BIR and contain all the required information, pursuant to Sections 237 and 238 of the NIRC of 1997, as amended, to wit:

"SEC. 237. *Issuance of Receipts or Sales or Commercial Invoices.* — All persons subject to an internal revenue tax shall, for each sale or transfer of merchandise or for services rendered valued at Twenty-five pesos (P25.00) or more, issue duly registered receipts or sales or commercial invoices, prepared at least in duplicate, showing the date of transaction, quantity, unit cost and description of merchandise or nature of service. . . ."

"SEC. 238. *Printing of Receipts or Sales or Commercial Invoices.* — All persons who are engaged in business shall secure from the Bureau of Internal Revenue an authority to print receipts or sales or commercial invoices before a printer can print the same.

✓

No authority to print receipts or sales or commercial invoices shall be granted unless the receipts or invoices to be printed are serially numbered and shall show, among other things, the name, business style, Taxpayer Identification Number (TIN) and business address of the person or entity to use the same, and such other information that may be required by rules and regulations to be promulgated by the Secretary of Finance, upon recommendation of the Commissioner.” (*Underscoring ours*)

Thus, only export sales supported by above-stated documents shall qualify for VAT zero-rating under Section 106(A)(2)(a)(1) of the NIRC of 1997, as amended.

In its Quarterly VAT Returns for the 3rd and 4th quarters of TY 2013 and 1st quarter of TY 2014, petitioner declared total sales/receipts of ₱11,446,282,372.44, which include zero-rated sales/receipts amounting to ₱11,443,573,448.60, to wit:

							31.97

Based on the table above, aside from a minor difference of ₱31.97 between the zero-rated sales per supporting documents and zero-rated sales declared per BIR return for the 1st quarter of TY 2014, the Court noted that zero-rated sales declared in the 1st quarter of TY 2014 in the total amount of ₱4,681,519,998.33 (\$104,438,010.16), as determined below, are supported by invoices but dated not within the period of claim.

TOTAL		104,438,010.16	4,681,519,998.33

Both the discrepancy of ₱31.97 and zero-rated sales supported by invoices dated not within the period of claim amounting to ₱4,681,519,998.33 should be denied zero-rating.

Further, petitioner failed to submit the corresponding sales invoice (No. 00033) of shipment of dore (Dore 7) to client Perth Mint Australia with related

sales amount of \$2,533,410.72 (₱113,737,474.27). Thus, the same should likewise be deducted from petitioner's total zero-rated sales.

Verily, petitioner satisfactorily complied with the *second* essential element but only in as much as the zero-rated sales of ₱6,648,315,944.03, computed as follows:

Zero-rated sales per VAT Returns		₱ 11,443,573,448.60
Less: Disallowances		
Supported by invoices but dated not within the period of claim	₱ 4,681,519,998.33	
Without supporting document	113,737,506.24	4,795,257,504.57
Zero-rated sales duly supported by sales invoices and bills of lading/airway bill		₱ 6,648,315,944.03

As for the *third essential* element, *i.e.*, the sale was paid for in acceptable foreign currency accounted for in accordance with the rules and regulations of the BSP, petitioner submitted in evidence the bank credit memos⁷¹ and certificates of inward remittances⁷² issued thereto by HSBC.

Upon comparison of petitioner's declared zero-rated sales which are duly supported by sales invoices against the inward remittance per bank certifications, the Court found that the zero-rated sales in the amount of \$1,002,249.00⁷³ has no corresponding inward remittance, to wit:

To determine the peso equivalent of the said amount, the Court applies the average foreign exchange rate used by petitioner in recording the sales transactions. Thus, the peso equivalent of \$1,002,249.00 is ₱43,777,783.33, computed as follows:

Sales Invoice	Peso Amount Declared in:		Total in PhP (A)	US Dollar Amount Declared in:		Total in US Dollar (B)	Sales without Inward Remittance In USD (C)	Peso Equivalent [(A)/(B)x(C)]

In fine, petitioner’s valid zero-rated sales amounted to ₱6,604,538,160.70, computed as follows:

The input taxes being claimed are not transitional input taxes.

The present claim in the total amount of ₱163,882,577.17 pertains to the denied portions of the refund claims filed before the respondent. The said claimed input VAT amount arose from petitioner’s purchases of goods and services for the 3rd and 4th quarters of TY 2013 and 1st quarter of TY 2014, as well as, the input VAT on purchases of capital goods from previous quarters, to wit:

Apparently, the above input taxes are not transitional input taxes, as understood under Section 111(A) of the NIRC of 1997, as amended, to wit:

“SEC. 111. *Transitional/ Presumptive Input Tax Credits.* -

(A) *Transitional Input Tax Credits.*- A person who becomes liable to value-added tax or any person who elects to be a VAT-registered person shall, subject to the filing of an inventory according to rules and regulations prescribed by the Secretary of Finance, upon recommendation of the Commissioner, be allowed input tax on his beginning inventory of goods, materials and supplies equivalent for two percent (2%) of the value of such inventory or the actual value-added tax paid on such goods, materials and supplies, whichever is higher, which shall be creditable against the output tax.”

Parenthetically, transitional input tax credit operates to benefit newly VAT-registered persons, whether or not they previously paid taxes in the acquisitions of their beginning inventory of goods, materials and supplies. During the period of transition from non-VAT to VAT status, the transitional input tax credit serves to alleviate the impact of the VAT on the taxpayer.⁷⁴

Since the input taxes being claimed are not transitional input VAT, petitioner thus complied with the *sixth* requisite for the grant of an input VAT refund under Section 112 of the NIRC of 1997, as amended.

⁷⁴ *Fart Bonifacio Development Corporation vs. Commissioner of Internal Revenue*, G.R. Nos. 15885.

Not all of petitioner's input VAT being claimed for refund are due or paid.

The *seventh* requisite for the successful prosecution of an input VAT refund claim is to the effect that the input VAT being refunded should be due or paid. The fulfillment of this requisite is fully dependent on the compliance to the invoicing and substantiation requirements under the law.

As mentioned, the present claim involving the input VAT amount of ₱163,882,577.17 pertains to the denied portions of the refund claims filed before the respondent. In support thereto, petitioner submitted its Schedule⁷⁵/Summary List⁷⁶ of Purchases and Importations⁷⁷, various invoices and official receipts⁷⁸, import certifications with Statement of Settlement of Duties and Taxes⁷⁹, various Authority to Print issued by the BIR to petitioner's suppliers⁸⁰, which were all examined by the ICPA.

In his Report dated March 24, 2017,⁸¹ the ICPA, Mr. Edward L. Roguel of Punong Bayan & Araullo, summarized his observations as follows:

The Court holds the ICPA findings on the input VAT with noted exceptions proper. Upon further examination of the documents supporting the input VAT claim, the following input VAT in the total amount of ₱82,682,714.18 should likewise be disallowed on the ground as herein stated:

TOTAL DISALLOWED INPUT VAT				₱82,682,714.18

N

Thus, out of the total input VAT claim of ₱163,882,577.17 for the 3rd and 4th quarters of CY 2013 and 1st quarter of CY 2014, only the amount of ₱47,860,882.23, as computed below, represents petitioner's valid input VAT for the same period:

Total Input VAT claim		₱ 163,882,577.17
Disallowances:		
a. Input VAT with noted exceptions as per ICPA Report	₱33,338,980.76	
b. Additional disallowances per this Court's further verification	82,682,714.18	116,021,694.94
Valid Input VAT		₱ 47,860,882.23

Since there are both zero-rated sales and taxable sales subject to 12% VAT, the said amount of ₱47,860,882.23 shall be proportionately allocated on the basis of sales volume.

To reiterate, the *eighth* requisite is to the effect that the input taxes claimed are attributable to zero-rated or effectively zero-rated sales. However, where there are both zero-rated or effectively zero-rated sales and taxable or exempt sales, and the input taxes cannot be directly and entirely attributable to any of these sales, the input taxes shall be proportionately allocated on the basis of sales volume.

In this case, for the subject periods of the claim, there exist a zero-rated or effectively zero-rated sales and taxable sales subject to 12% VAT, to wit:

	3rd Quarter of TY 2013 (Exhibit "P-8.1")	4th Quarter of TY 2013 (Exhibit "P-11.2")	1st Quarter of TY 2014 (Exhibit "P-17.2")	Total
Vatable Sales	₱ -	₱ 444,867.14	₱ 2,264,056.70	₱ 2,708,923.84
Zero-Rated Sales	3,169,031,145.39	2,335,169,378.27	5,939,372,924.94	11,443,573,448.60
Total Sales	₱ 3,169,031,145.39	₱ 2,335,614,245.41	₱5,941,636,981.64	₱11,446,282,372.44

Since petitioner's input VAT cannot be directly or entirely attributed to any of the said transactions, we shall allocate the valid input VAT of ₱47,860,882.23 proportionately on the basis of the volume of petitioner's total sales, as shown below:

Total Taxable Sales per VAT Returns	₱ 2,708,923.84
Divided by the Reported Total Sales per Quarterly VAT Returns	₱ 11,446,282,372.44
Multiplied by Total Valid Input VAT	₱ 47,860,882.23
Valid input VAT allocated to total sales subject to 12% VAT	₱ 11,326.95

Total Zero-Rated Sales per VAT Returns	₱ 11,443,573,448.60
Divided by the Reported Total Sales per Quarterly VAT Returns	₱ 11,446,282,372.44
Multiplied by Total Valid Input VAT	₱ 47,860,882.23
Valid input VAT allocated to total zero-rated sales	₱ 47,849,555.28

Thus, for purposes of, and with regard to petitioner’s compliance with, the *eighth* requisite, only the amount of ₱47,849,555.28 represents valid input VAT attributable to total reported zero-rated sales.

Determination of the refundable amount.

Having determined that petitioner had valid input VAT attributable to its zero-rated sales, this Court shall now determine whether the same was applied against its output VAT liability during and in the succeeding quarters, relative to the *ninth* requisite for the successful prosecution of an input VAT refund claim.

For the periods under consideration, petitioner has output VAT liability in the amount of ₱325,070.86.⁸³ Since petitioner’s valid input VAT in the amount of ₱11,326.95 allocated to sales subject to the 12% VAT is not enough to cover the said output VAT liability, the output VAT still due against petitioner is computed as follows:

Output VAT	₱ 325,070.86
Valid input VAT allocated to sales subject to 12% VAT	11,326.95
Output VAT still due	₱ 313,743.91

The valid input VAT attributable to total reported zero-rated sales in the amount of ₱47,849,555.28 shall then be utilized against the said remaining output VAT liability of petitioner in the amount of ₱313,743.91. Consequently, only the remaining input VAT of ₱47,535,811.37 can be attributed to the entire zero-rated sales reported by petitioner in the amount of ₱11,443,573,448.60 and only the input VAT of ₱27,434,794.00 is attributable to the valid zero-rated sales of ₱6,604,538,160.70, as computed below:

Valid input VAT allocated to reported zero-rated sales	₱ 47,849,555.28
Output VAT still due	313,743.91
Valid input VAT allocated to reported zero-rated sales	₱ 47,535,811.37
Divide by declared zero-rated sales	₱ 11,443,573,448.60
Multiply by valid zero-rated sales	₱ 6,604,538,160.70
Excess input VAT attributable to valid zero-rated sales	₱ 27,434,794.00

⁸³ Docket (CTA Case No. 9207), Sum of ₱53,384.06 and ₱271,686.80, Line 19B of Exhibits “P-11.2” and “P-172”, respectively, pp. 1922 and 2185.

Needless to state, the said amount of ₱27,434,794.00 is included in the amount of the subject refund claim, *i.e.*, the amount of ₱163,882,577.17.

Although the input VAT claim of ₱163,882,577.17 for the 3rd and 4th quarters of TY 2013 and 1st quarter of TY 2014 was carried-over by petitioner in its succeeding Quarterly VAT Returns,⁸⁴ the same remained unutilized until the same was deducted as “VAT Refund/TCC Claimed” in its Quarterly VAT returns for the 2nd quarter of TY 2015⁸⁵, 3rd quarter of TY 2015⁸⁶, and 1st quarter of TY 2016⁸⁷.

In fine, petitioner is deemed to have fulfilled the said *ninth* requisite in the refund of input VAT under Section 112(A) of the NIRC of 1997, as amended.

WHEREFORE, in light of the foregoing considerations, the instant *Petition for Review* is **PARTIALLY GRANTED**. Accordingly, respondent is **DIRECTED TO REFUND** petitioner the amount of **₱27,434,794.00**, representing the latter’s unutilized excess input VAT arising from its domestic purchases and importation of goods (other than capital goods), domestic purchases of services, and purchases of capital goods which are attributable to zero-rated sales for the 3rd and 4th quarters of TY 2013 and 1st Quarter of TY 2014.

SO ORDERED.
