Petitioner is a resident foreign corporation duly licensed to engage in business in the Philippines through its Manila Branch Office. (par. 1, Petition; admitted par. 1, Answer.)

During the fiscal year ending March 31, 1980, for royalties and technical services rendered to Kawasaki Motor (Philippines) Corporation (hereinafter called KMPC for brevity) and Philippines Shipyard and Engineering Corporation (hereinafter called PHILSECO for brevity), on various occasions, remitted to petitioner's home office in Japan service fees and royalties due the petitioner. In remitting the same, KMPC and PHILSECO erroneously withheld and remitted to respondent's Bureau the 35% tax on said royalty fees imposable on non-resident foreign corporation in the total amount of P1,991,223.24 as shown below:

On July 15, 1980, petitioner filed with respondent's RDO 32, Makati, its corporate annual income tax return (Exh. U) for the fiscal year ending March 31, 1980. In said return, it credited the erroneous withholding tax payment of P1,991,223.24, against its income tax liability of P1,292,944.00. Accordingly, there resulted a refundable amount of P698,279.24 for said fiscal year 1980.

When petitioner filed its return for its profit remittance tax (Exh. U-1), which tax amounted to P220,286.00, it applied its 1980 overpaid income tax in the sum of P698,279.24 against said tax. Consequently, there remained a balance of P477,993.24 which constitutes petitioner's 1980 adjusted overpaid income tax.

During petitioner's fiscal year ended March 31, 1981, KMPC and PHILSECO likewise remitted royalty and technical service fees to petitioner's

home office in Japan. As in the previous year 1980, the former erroneously subjected said income of petitioner to the 35% withholding tax imposable on non-resident foreign corporations, which tax amounted to P587,576.11 as shown in the schedule of withholding tax at source (*Exhibit H*) as follows:

When petitioner filed its amended corporate annual income tax return on August 26, 1981 for fiscal year ending March 31, 1981 (Exh. V), it showed a refundable amount of P765,298.00 computed as follows:

Net Income	P795,846.00	
Tax Due		P300,271.00
Less:		
1) 35% withhold- ing tax	587,576.00	
2) Tax Refundable	<u>477,993.00</u>	<u>(1,065,569.00)</u>
Amount of Tax Refundable		<u>-(P 765,298.00)</u>

When petitioner filed its amended return for the branch profit remittance tax (Exh. V-1), it credited its 1981 income tax refund of P765,298.00 (Exh. V-1-a) against its branch profit remittance tax liability of P64,640.00. Consequently, there remained a balance of P700,658.00, which constitutes petitioner's adjusted income tax refund for 1981.

On July 9, 1982, petitioner through its auditors SGV & Co., filed with respondent's office

a claim for refund (Exh. A) in the amount of P700,658.00.

The only issue posed for determination is whether or not petitioner is entitled to the refund claim of P700,658.00.

We agree with the claim for refund of the amount of P700,658.00. This amount represent erroneously withheld 35% withholding tax at source computed as follows:

Income & Corporate Dev.	
Tax due taxable year ended	
March 31, 1981	P300,271.00 (Exh. V)
Branch Profit Remittance Tax-	
taxable year ended	
March 31, 1989	<u>64,640.00</u> (Exh. V-1)
Total	P364,911.00
Less: Overpaid income	
tax carried forward	
from FY ended March	
31, 1980	<u>477,993.00</u> (Exhs. U-1;V)
	(P113,082.00)
Tax withheld (35%)	
by Petitioner's	
clients during FY	
ended March 31, 1981	<u>(587,576.00)</u> (Exh. V)
Amount claimed	<u>P700,658.00</u>

It is apparent that the refundable amount of P700,658.00 is composed of the 35% withholding tax paid in the amount of P587,576.00 and a portion of the overpaid income tax carried forward for fiscal year ended March 31, 1980 in the amount of P477,993.00, thus:

Kawasaki Heavy Industries, Ltd., in the sum of
