AMENDED DECISION

RINGPIS-LIBAN, J.:

For resolution is Petitioner's "Motion for Reconsideration" filed on June 27, 2017, with Respondent's "Opposition (To Petitioner's Motion for Reconsideration dated 27 June 2017)" filed on July 21, 2017.

Pursuant to Republic Act No. 9513 or the Renewable Energy Act of 2008 ("RA 9513"), the Court in the Decision promulgated on June 06, 2017 ("Assailed Decision") denied Petitioner's claim for refund in the amount of [Php]58,802,851.18, allegedly representing its unutilized input taxes paid on its local purchases and/or importation of goods and services, capital goods and payments for services rendered by non-residents, which were all attributable to its zero-rated sales for the period January 1, 2007 to December 31, 2007 ("taxable year 2007"). The Court held that Petitioner could not have paid input taxes on its purchases of goods and services from value-added tax ("VAT") registered suppliers because such purchases are zero-rated (*i.e.*, no output tax was paid by the suppliers, thus no input tax was shifted or passed on to Petitioner). The dispositive portion of the Assailed Decision reads:

"WHEREFORE, premises considered, the Petition for Review is **DENIED** for lack of merit."

SO ORDERED.”

In its “Motion for Reconsideration”, Petitioner alleges that the Court erroneously held that its recourse for its purchases of goods and services where it paid VAT is to seek reimbursement of its alleged input VAT paid from its suppliers of goods and services, and not a claim for refund against Respondent since its purchases of local goods, properties and services are subject to zero percent (0%) VAT under RA 9513.

Petitioner contends that RA 9513 is not applicable to its claim for unutilized input taxes paid or incurred on its purchases of goods and services for the period taxable year 2007, which is all attributable to its zero-rated sales for the same period, pursuant to Sections 108(B)(7), 112(A) and 112(C) of the National Internal Revenue Code (“NIRC”) of 1997. Petitioner argues that it is not a registered Renewable Energy Developer (“RE Developer”) and as such, it cannot avail of the fiscal incentives under RA 9513.

Furthermore, Petitioner posits that assuming without conceding that RA 9513 applies to Petitioner, Petitioner’s importation of goods and payments for services rendered by non-residents are not covered by RA 9513, and should not have been disallowed. Additionally, Petitioner argues that the Supreme Court and Court of Tax Appeals cases of *Coral Bay Nickel Corporation v. Commissioner of Internal Revenue*¹ are not analogous to Petitioner’s case since it is not a PEZA-registered Ecozone Enterprise under Republic Act No. 7916. Lastly, Petitioner insists that *solutio indebiti* governs the instant case since Respondent received something that it was not entitled to.

On the other hand, in his “Opposition (To Petitioner’s Motion for Reconsideration dated 27 June 2017)”, Respondent argues that the Court correctly ruled that Petitioner is not entitled to the issuance of a tax credit certificate (“TCC”) for unutilized input VAT in the amount of Php58,802,851.18, allegedly representing its unutilized input taxes on its local purchases and/or importation of goods and services, capital goods and payments for services rendered by non-residents; that the Court emphasized in the Assailed Decision that as an RE developer, Petitioner is entitled to zero-rated VAT on its purchases of local supply of goods, properties and services needed for the development, construction and installation of its plant facilities and to the whole process of exploring and developing renewable energy sources up to its conversion into power, and consequently, no output VAT shall be shifted to or passed on to RE developers, such as Petitioner, in connection with the above-mentioned purchases; that applying the Supreme Court cases of *Contex Corporation v. Commissioner of Internal Revenue*² and *Coral Bay Nickel Corporation v.*

¹ G.R. No. 190506, June 13, 2016; CTA EB No. 403, May 29, 2009; CTA Case No. 7022, March 10, 2008.

² G.R. No. 151135, July 02, 2004.

*Commissioner of Internal Revenue*³, it is the Petitioner's suppliers who are the proper parties to claim the tax credit and accordingly refund the Petitioner of the VAT erroneously passed on to the latter; and that all told, Petitioner did not present any compelling ground to justify the reversal of the subject Decision.

After taking a second hard look at the factual circumstances and the pertinent legal issues of this case, We find merit in Petitioner's "Motion for Reconsideration".

As mentioned in the Decision sought to be reconsidered, Petitioner must prove that it complied with all the requisites under Section 112(A) of the NIRC of 1997, in order to be entitled to the issuance of a TCC for unutilized input VAT on its local purchases and/or importation of goods and services, capital goods and payments for services rendered by non-residents. Said requisites are as follows:

- 1) The taxpayer is VAT-registered;
- 2) The taxpayer's sales are zero-rated or effectively zero-rated;
- 3) The creditable input taxes are attributable to zero-rated sales or effectively zero-rated sales and were not applied against any output VAT liability; and
- 4) The administrative and judicial claim for refund must be timely filed.

In the Assailed Decision, We already held that the first, second and fourth requisites above were complied with. To reiterate:

- a) Petitioner's administrative and judicial claims were timely filed⁴, the **fourth requisite**;
- b) Petitioner was able to prove the **first requisite** that it is a VAT-registered entity⁵; and
- c) Petitioner was also able to prove the **second requisite** that it is engaged in the sale of electricity generated through hydropower which is subject to zero percent (0%) VAT.⁶

However, as verified by this Court, not all sales/receipts of Petitioner qualify for VAT zero-rating pursuant to Section 108(B)(7) of the NIRC of 1997.

In its Quarterly VAT Returns for taxable year 2007, Petitioner reflected a total amount of Php5,742,547,292.51 zero-rated sales/receipts, broken down as follows:

The ICPA indicated that the Php6,794,522.94 discrepancy pertains to receivables written-off save for the amount of Php20,000.00 which pertains to an error in the invoice amount. However, the Court cannot ascertain the veracity of the ICPA’s finding without the supporting documents. Hence, for being unsupported, the amount of Php6,794,522.94 shall be denied of VAT zero-rating.

Therefore, only sales totaling to Php5,735,752,769.57, as computed below, are subject to zero percent (0%) VAT pursuant to Section 108(B)(7) of the NIRC of 1997, as amended:

Total declared zero-rated sales/receipts per VAT returns	Php 5,742,547,292.51
Less: Disallowances per this Court’s verification	6,794,522.94
Total valid zero-rated sales/receipts	Php 5,735,752,769.57

With regard to the **third requisite**, (*i.e.*, that the creditable input taxes are attributable to zero-rated sales or effectively zero-rated sales and were not applied against any output VAT liability), the Court deems that its prior conclusion in the Assailed Decision merits reconsideration.

The Court agrees with the Petitioner that RA 9513 does not apply in the instant case, which is a claim for taxable year 2007. RA 9513 was approved only on December 16, 2008, and took effect fifteen (15) days after its publication in at least two (2) newspapers of general circulation.⁸ Accordingly, RA 9513 cannot be made applicable for claims prior to its effectivity.

Hence, after having resolved that Petitioner had VAT zero-rated sales/receipts for the subject period of claim, we proceed to the determination of whether Petitioner incurred input taxes in connection thereto and if said input taxes were not applied against any output VAT liability of Petitioner.

For taxable year 2007, Petitioner reported input VAT in the total amount of Php59,116,694.23, as broken down below:

	1 st Quarter “BB-2-001” to “BB-2-002”	2 nd Quarter “BB-4-002” to “BB-4-003”	3 rd Quarter “BB-6-002” to “BB-6-003”	4 th Quarter “BB-8-002” to “BB-8-003”	Total
Deferred on capital goods exceeding P1Million from previous quarter	Php 7,088,923.74	Php 7,525,499.50	Php 7,294,079.65	Php6,805,042.78	Php 7,088,923.74

Purchase of capital goods exceeding Php1Million	888,733.71	252,447.95	-	-	1,141,181.66
Domestic purchases of goods other than capital goods	1,498,009.98	6,265,547.38	4,757,254.45	2,897,263.08	15,418,074.89
Importation of goods other than capital goods	318,514.00	145,810.00	5,485,743.78	3,934,822.00	9,884,889.78
Domestic purchase of services	6,707,524.18	7,105,059.21	7,299,428.67	9,338,859.16	30,450,871.22
Services rendered by non-residents	435,361.82	498,280.99	62,116.07	381,558.38	1,377,317.26
Less: Purchases of capital goods exceeding P1Million deferred for the succeeding period	7,525,499.50	7,294,079.65	6,805,042.78	6,316,005.90	6,316,005.90
Total	Php12,154,617.76	Php26,653,183.14	Php44,746,762.98	Php3,056,892.88	Php59,116,694.23

Of the Php59,116,694.23 declared input VAT, Petitioner seeks the refund of a lesser amount of Php58,802,851.18, reconciled as follows:

Total input VAT per returns	Php 59,116,694.23
Less: Input tax not included in claim for VAT refund/TCC in 2007, since these are not included in the pertinent Summary List of Purchases	313,843.02
Total Claim for Refund / TCC	Php 58,802,851.18

Since Petitioner’s reported sales were all zero-rated, the claimed input VAT of Php58,802,851.18 is entirely attributable thereto and the same was not applied against any output VAT.

⁸ Section 40 of Republic Act No. 9513.

Further, the total claim of Php58,802,851.18 was deducted from the total available input tax reflected in Petitioner's amended Quarterly VAT Return for the fourth quarter of taxable year 2007. Consequently, the subject claim no longer formed part of the excess input VAT of Php3,056,892.88 as of the fourth quarter of taxable year 2007, which was carried over to the succeeding quarter.

Based on the ICPA's report, the following input VAT shall be disallowed for non-compliance with the substantiation requirements under Sections 110(A) and 113(A) and (B), 237, and 238 of the NIRC of 1997, as amended, in relation to Sections 4.110-1, 4.110-2, 4.110-8 and 4.113-1 of Revenue Regulations No. 16-05, as amended:
