R E S O L U T I O N

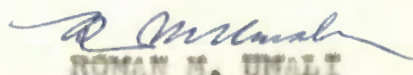

An assessment was made against petitioner for the sum of P80,553.15, representing deficiency income tax, including surcharge and interest, for the year 1961. This assessment was contested by petitioner, and, upon denial by respondent of his request for reconsideration, he instituted this appeal. However, before respondent could file his answer, the assessment was withdrawn and cancelled. Accordingly, petitioner filed a motion to withdraw his appeal, to which respondent interposed no objection.

WHEREFORE, petitioner's motion to withdraw his appeal is hereby granted.

SO ORDERED.
